

Chairman Matt:

I appreciate the letter of response to Polson's concerns with the current pace and priority of municipal water rights administration. I am also very grateful that the FRWMB formed a Committee to address these concerns, amongst the other pressing issues that must be dealt with as well. I am interested, and willing to offer any assistance the City of Polson can provide as the FRWMB pushes forward on these matters. Likewise, I will endeavor not just lob problems from the sidelines but make an attempt to more participative with the FRWMB where meaningful.

Thanks again for your work on behalf of the entire Flathead Indian Reservation community.

Take Care.

Ed
